The diagram is an exploded view of a mechanical assembly. At the top, there is a star-shaped handle connected to a vertical shaft. Below this, there are two horizontal bars with 'McElroy' branding. The main body of the assembly consists of a central vertical column with various joints and a base that has two large, curved, jaw-like components. A circular gauge component is shown to the left of the main assembly, with a dashed line indicating its position relative to the central column. The gauge is labeled with a '1' in a box and a '2' next to it, with leader lines pointing to the gauge and its mounting area.
